Riail na Gaeilge

Coláiste Bhríde emphasises the learning of Irish in an enjoyable manner both in classes and through fun filled activities. Students must speak Irish at all times to the best of their ability.

In the extreme case where a student makes little or no attempt to speak Irish, parents will be contacted with a view to improving their child's effort, and if no effort is still evident, parents may be requested to take the student home. Fees will not be refunded for students who fail to complete the course for any reason.
